

"One of Nature's Secret Treasures."

**Five Islands Ocean Resort
& RV Campground** is nestled in a scenic valley sheltered between the mountains and the islands that give it its name and is the ideal central oceanfront base from which to explore some of the most magnificent and little known treasures of the Canadian Maritimes.

From the breath-taking views both at the campsite and along the picturesque shorelines, to the area attractions within an hour or two's drive, to witnessing the beauty and the power of the highest tides in the world right from your campsite, Five Islands offers a wealth of adventure for every taste in vacation fun and enjoyment.

Outdoor enthusiasts can hike, fish, kayak, canoe, boat, swim, golf, beach-comb,

ATV, cycle or hunt for the amethyst, Jasper & agate that have made the area a gem of a find for rock-hounders and geology buffs...to name a few activities.

There are lighthouses and waterfalls nearby as well as restaurants, theatre and fish markets offering the catch of the day. Or, give clamming a whirl yourself in the commercial clam bed right out front of the resort, then top off your meal with fresh favorites from the local Farmer's Market or a find of blueberries growing wild along the side of the road.

The area is rich in history, from Native legends to tales of pirates & explorers to local schooner building to resident Prime Ministers to one of the best early Jurassic fossil finds in the entire continent; the nearby museums and Interpretation sites and shops in town offer fascinating day trips.

Or take in the local festivals & attractions with the family, check out the Flea Markets & garage sales, and top it off with a family picnic.

Or if R & R is your goal, sit back and enjoy the amazing beauty and tranquility of our view while the more energetic fun-seekers in the family enjoy the excellent facilities and organized weekend activities at the park.

Add to this amazing star-scapes, lush landscapes, and an array of flowers, birds, wildlife and autumn colors to delight every sensibility...and the photographic delights abound!

Enjoyment, adventure and relaxation really are the name of the game at **Five Islands Ocean Resort & RV Campground!**
